PETITION FOR RULEMAKING

To the Chief, Allocations Branch:

Daniel R. Feely ("Petitioner") respectfully requests the Commission initiate a rulemaking proceeding for the purpose of considering amending Section 73.202(b) of the Commission's rules. In support whereof the following is stated:

2. Petitioner proposes the Commission allot FM channel 275A to King City, California as its third commercial FM service. This would require amending Section 73.202(b) of the Commission's rules as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
King City, CA	230B1, 271B	230B1, 271B, 275A

3. King City is an incorporated city located in central California. It is located in Monterey County. In 2000, the United States Census Bureau estimated that King City had a population of 11094 persons.

4. FM channel 275A can be assigned to King City in full compliance with the Commission's minimum distance separation requirements without a site restriction. This is illustrated in the attached spacing study. Coordinates used are N 36:12:40, W 121:07:40 and are those listed in the National Atlas for King City, CA.

5. Petitioner, or an entity with which he is affiliated, intends to apply for a construction permit to activate channel 275A if it is assigned to King City as proposed. If his application is granted, he shall promptly construct and operate the proposed station.

6. Petitioner hereby verifies and affirms that the statements given in this petition for rulemaking are his, and are accurate to the best of his knowledge.

Respectfully submitted,

Daniel R. Feely
